

Chesapeake Human Resources Association (CHRA) Awarded Platinum EXCEL Award and Named a Super Mega Chapter

SMG is excited to announce the Chesapeake Human Resource Association was awarded the 2019 Platinum EXCEL Award and on May 29th became the newest Super Mega Chapter of the Society for Human Resource Management.

CHRA has delivered member value, built a community, enabled professional growth and been a SHRM model of excellence for ninety years. The Baltimore-region chapter of SHRM is among Maryland's twenty-five top associations. In the words of Johnny C. Taylor, President and CEO of SHRM, "The 2019 PlatinumEXCEL award is not only a celebration of the great work done by CHRA – it's also a recognition of the grit it took to do it." Over 1000 members of the non-profit professional Human Resources association were recognized in this major accomplishment.

Now, the 19th SHRM-affiliated Chapter, CHRA continues to honor their commitment to supporting and elevating the human resources profession across Maryland. Their leadership through difficult Human Resource issues and creation of better workplaces make them an example of superior initiative.

Congratulations CHRA!
