

Chesapeake Human Resources Association (CHRA) Awarded Platinum EXCEL Award

SMG is excited to announce the Chesapeake Human Resource Association (CHRA) was awarded the 2020 Platinum EXCEL Award on behalf of the Society for Human Resource Management (SHRM). This is the second year in a row that CHRA has won the highest level Excel Award.

CHRA has delivered member value, built a community for HR professionals, enabled professional growth and been a SHRM model of excellence for ninety years. The Greater Baltimore area chapter of SHRM is among Maryland's twenty-five top associations, as awarded by the Baltimore Business Journal. Johnny C. Taylor, Jr., SHRM-SCP, President and CEO of SHRM said, "So much of SHRM's impact on the world of work can be traced back to the dedication and hard work of our chapters and state councils like the Chesapeake Human Resources Association. These leaders took the initiative and drove changes to

make workplaces where employers and employees can thrive together. The Platinum EXCEL Award is not only a celebration of the great work done by CHRA, it's also a recognition of the grit it took to do it."

Congratulations, CHRA!
